

Vasco | Sure Secure Shipping

Step # 1 Print out the prepaid label you received via email.

Note: The label will expire in 48 hours so if for you are unable to use it within 48 hours, for whatever reason, please contact us and we will send you a new label.

Step #2 Package your valuables.

First, wrap the items in tissue and place them in an envelope. To assure no tampering between sending and arrival, we suggest signing across the tongue with a marker.

Step #3 Ship via FedEx

Bring your sealed envelope to any Fed-Ex office and secure it inside a FedEx envelope.

Once sealed, place the FedEx envelope into a small Fed-Ex box and seal.

Finally, place the small box inside a Medium sized Fed Ex box and seal.

Now your shipment is ready for you to attach the label using a plastic sleeve, and to give it to your FedEx representative for processing.

Your valuables will now be tracked and safeguarded by either Brinks Global or Malka-Amit until they are delivered to our sure secure facility.

IMPORTANT NOTE:

Please keep the receipt until we have received the shipment.
